

# Jessie Zhang

---

## About

---

I am a designer interested in people, nature and technology, using visual communication as a means to explore and interrogate the world and ourselves. My work spans multiple disciplines, from branding and book design to photography and coding.

## Experience

---

- 01/2021– **Somerset House**  
**Young Producer**  
Working alongside other Young Producers with speculative design studio Superflux on visions of hopeful futures in a climate-altered world.
- 07/2019– **Georgia Hardinge**  
09/2019 **Film, Photography Content and Media Intern**  
Worked alongside the design team to understand the processes and the collection; responsibilities included creating assets for social media, marketing material and short films.
- 07/2018– **原麦山丘**  
09/2018 **Graphic Design Intern**  
Formed part of the team developing the visual identity for 果汁研习社, a new subsidiary under 原麦山丘.
- 09/2016– **Brookland Junior School**  
04/2017 **French Teaching Assistant (Volunteer)**  
Assisted the teaching of French to year 5 students and provided one to one teaching for children of native speakers.
- 06/2016 **Mark Reeves Architects**  
**Work Shadowing**  
Shadowed the architects, learning about collaboration between architects, urban planners, and planning authorities.
- 08/2015 **Russian For Fish**  
**Work Experience**  
Assisted architects on their work on renovation and extension projects, learning about design and modelling, and inter-firm working relationships, visiting several active project sites.
- 07/2014 **J.P. Morgan Chase**  
**Work Experience**  
Led group activities and presentations in addition to shadowing the commodities department in their day to day running.
